**ALL VACCINES HAVE TO BE SHIPPED. ALL OF THE VACCINES ARE SPECIALLY MANUFACTURED TO MAINTAIN SAFETY AND POTENCY DURING SHIPPING EVEN THROUGH THE HOTTEST SUMMER MONTHS. FOR ADDED PROTECTION, ALL VACCINES ARE SHIPPED WITH AN ICE PACK. IN SOME CASES, THE ICE PACK MAY BE MELTED AND NO LONGER COLD UPON ARRIVAL. THIS WILL NOT AFFECT THE VACCINE. SIMPLY PLACE THE VACCINE INTO A REFRIGERATOR UNTIL THEY ARE READY TO BE USED.**

**VACCINES ARE NON-RETURNABLE. WE SUGGEST AIR SHIPPING FOR SOME DESTINATIONS. AIR SHIPPING CHARGES ARE FOR VACCINES ONLY AND ARE IN ADDITION TO REGULAR SHIPPING CHARGES.**
